DON'T WORRY! MUM WILL PROTECT YOU!

IF A GHOST APPEARS, MUM WILL BEAT HIM SILLY AND MAKE HIM NO MORE!

BUT...

BY THE TIME I REALIZED THAT...

THE REALITY WASN'T SO...

I WAS ALREADY IN A SITUATION...

THAT I COULD NOT REVERT...

TOP

WHAT'S WRONG? WHY DID MUM SUDDENLY STOP?

COME ON, LET'S GO HOME BEFORE WE CATCH A COLD! HEHE, KIDS! MUM'S MINE!

TO MY YOUNGER SELF...

MUM WAS A BEING MORE TRUSTWORTHY AND DEPENDABLE THAN ANY GOD.

MUM'S HAND THAT I HELD THAT NIGHT WAS SO BIG AND WARM.

I BELIEVED THAT SHE WAS THE ONE WOULD COMPLETELY PROTECT ME FROM ANY HARM FROM THE WORLD...

FLICK

BUT...

BY THE TIME I REALIZED THAT...

THE REALITY WASN'T SO...

I WAS ALREADY IN A SITUATION...

THAT I COULD NOT REVERT...

Poison Joint Scans

Presents

Baby Finger (Pinky)

Translated by: PoisonJoint *Edited by: Crimson Null*

When I was little, my mom and dad got divorced....

As for tha reason why they got divorced, I didn't ask why

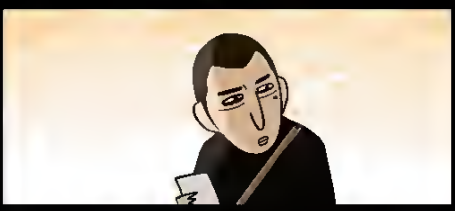
I wasn't all that curious and as I got older...

Even without an answer I was able to more or less understand why

Note She's speaking in a dialect here. I didn't really know how to put it other then spelling some of the words weirdly which is basically what speaking a dialect means in Korea

Should I help?
My family was so poor that I wasn't able to go to cram school even if I had wanted to go
Na Imma almost done. you gon ehead and eat then studi~

I always encountered my father and my grandmother on my home



Personally, I had at least a little bit of affection for my grandmother

Our relationship isn't that good

Until Hyungnim gets out of jail...

Honestly, I don't think this is right....to make it easier for my mom
Trying to make money like an idiot...
Being here isn't going to help neither my mom or myself
And you! Make yourself bigger!
To have it easy as a gangster, you need to be buff and look ferocious!!
because talking becomes easier when you can instill fear with your build and expression
Hey, someone feed the kid some pig feed!...
uh...I have something I need to tell you sir....
새끼손가락
leeicksu@naver.com
I...Uh...think that I need to find another job
what?!

I...uh...don't think that I'm cut out for this job....and my mother..
What kind of nonsense are you talking about?! Do you think that an organization is like some club or guild?!
Huh?!
To join and leave as you please....
you may be able to join at your own will...but leaving..is a whole another story
I just want to send you away easily but the other kids might get some ideas....
Therefore, betrayal is death....

I'm not blaming anything on being poor
This proverty now is my dad's life...

To live a luxurious life without the support of parents...

I dont even have that big of a dream! .
I just want to go to a good school

Then using my education and good looks as a footstool

TN: Good looks? (--;)

To go to a lot of meetings....

and hookup with a rich girl...

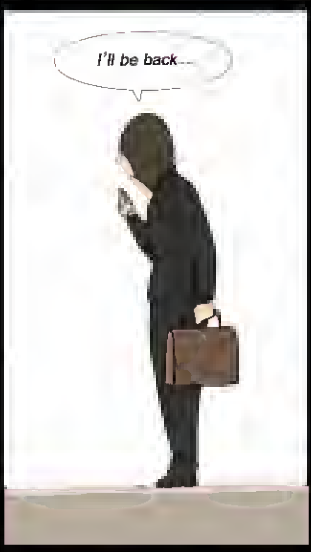
become a campus couple

Then along with figuring out my tuition....

Land a job easily using the connections of the rich girl's father

TN: This word combines three words that basically mean king to say that he's the best.

And since there might be some objections from the family, we'll make a baby before we get married



It's perfect!

With this plan, how can I not study....
First, Let's go to college
